LIKE NO OTHER STORE IN THE WORLD

Designer debuts, movie shoots and a visit from the Queen

In over a century as a style destination, Bloomingdale's has earned a reputation for fun, fashion and spectacular events while launching so many of the labels we love today.

It all started in 1872 when brothers Joseph and Lyman Bloomingdale opened a store on New York's Upper East Side. Hoop skirts were all the rage, and the brothers jumped on the trend. Soon, they were the talk of the town.

By 1886 they had a bigger location and a buying office in Paris, and in 1929 they opened the New York flagship that remains Bloomingdale's headquarters today. From there, booming business led to expansion up and down the East Coast. When Bloomingdale's opened at the Aventura Mall in 1997, it brought three floors of the hottest designer fashion to sizzling Miami.

As a vivid part of America's fashion landscape, Bloomingdale's has celebrated the best designers from all over the world. We brought Chanel, Giorgio Armani and Yves Saint Laurent to an adoring American audience, and gave a career boost to new talent like Ralph Lauren, Donna Karan, Calvin Klein, Zac Posen and Marc Jacobs.

Just like the designers we adore, we never stop updating our look. Today you'll find us in Boston, Chicago, Atlanta, Las Vegas, Los Angeles, San Francisco—and as far away as Dubai. We host fashion shows and visiting celebrities, and on our beauty floors the party never stops. We look forward to a future like no other.
